

**MAN HAS
FORGOTTEN GOD**

**A GLOBAL CRISIS UNFOLDING
AND DEEPENING!**

PADDY EARLY

In writing this booklet I am motivated by the desire for the
salvation of souls.

Our world is in crisis and I want to do my small bit to help people
to reflect on their own lives and how they are in their relationship
with Jesus the Saviour of mankind and the only God who has
walked the earth as man and as God.

The miracles of Creation and the unfathomable mystery at the
heart of all existence can only be unfolded through total faith in
God and in our surrender to the Will of God in all matters
pertaining to our lives as they unfold in each moment of time.

MAN HAS FORGOTTEN GOD

A GLOBAL CRISIS UNFOLDING AND DEEPENING!

PERSONAL REFLECTION ON HISTORICAL PATTERNS.

Psalm 29 Give onto the Lord, O ye mighty, give unto the Lord glory and strength. Give unto the Lord the glory due unto his name; worship the Lord in the beauty of holiness.

The Preamble to the Irish Constitution is like a treatise on life! It confirms that our lives are granted to us by our Almighty God in the name of the Most Holy Trinity and that we all have obligations to our Divine Lord Jesus Christ because Jesus sustained our fathers through centuries of trial! But this also confirms that we have a direct connection to Almighty God with inalienable rights which can only come to us by the Grace of Almighty God.

“In the Name of the Most Holy Trinity, from Whom is all authority and to Whom, as our final end, all actions both of men and States must be referred, We, the people of Éire, Humbly acknowledging all our obligations to our Divine Lord, Jesus Christ, Who sustained our fathers through centuries of trial, Gratefully remembering their heroic and unremitting struggle to regain the rightful independence of our Nation, And seeking to promote the common good, with due observance of Prudence, Justice and Charity, so that the dignity and freedom of the individual may be assured, true social order attained, the unity of our country restored, and concord established with other nations, Do hereby adopt, enact, and give to ourselves this Constitution”.

Our Constitution merely confirms that we hold these inalienable rights as a Gift from our Creator. So nothing comes between us and God. No Government or anyone else. We are guided by the Holy Ghost who dwells within us. But of course this implies that we must remain conscious of this vital connection which keeps us in existence at all times. This connection guarantees our freedom to think and act as precious children of God. But when we fail to do so because of sin we give our God given power away and others will manipulate us and enslave us to gain power over us. Our Governments are supposedly elected to represent our interests and again provided they act in accordance with the laws of God and the natural law all will

work well. But when we and our leaders lose sight of these eternal truths all hell breaks loose! Literally!

As a man in my 70's I have very clear memories of a time when life was better and simpler. I have clear memories of visits to my aunt in Roscommon in a very remote place up the valley from Arigna. I knew where I came from and to whom I belonged. I may not have been able to articulate any of this as a young child but these memories are a vibrant part of my very being and they are precious beyond measure. My aunt and her family lived a very simple frugal life and compared to Dublin where I grew up there was a stark contrast. I well remember the original thatched cottage with no running water or electricity so you could easily say they were deprived. But they were a happy family and the simple life was powerful. I'm not sure as I look back that I would have liked to grow up there but the memories are worth their weight in gold.

Although I'm an old man I have a perspective that I didn't have at a younger age which is wisdom! I am very aware that my life is running out but this makes me even more conscious of the glorious eternal future that is the bedrock of my faith if I stay true to God.

I see that many of the things that have unfolded during a very intense period since the 1960's have had hugely destructive impacts on the lives of all peoples. And none of this happened by accident! All of it has been orchestrated. It's a battle between good and evil! It seems that evil has the upper hand but Grace is far more powerful than evil! Also I'm very conscious that I fell for many of the lies foisted on us which ultimately lead to sin and a refusal to face the consequences of this sin on my own life and on all of humanity.

The most destructive thing that has happened is the destruction of the traditional family. I am the eldest of 7 living children- but my mother lost at least 3 babies. I grew up in Kilmacud/Stillorgan area of Dublin which in the '50's and early '60's was really rural village life. Most of the parents in the area would have been from rural Ireland relocating to Dublin for work. Lots of large families with the mother at home rearing the children while the single income of the father was sufficient to live on! Our lives centred on our Church and faith was paramount. But in very short order the population of the area mushroomed and this resulted in two new Churches being build which were gigantic compared to the original Kilmacud Church. In 1955 the Christian Brothers opened Oatlands College and with "free" education big numbers had available secondary education which opened up new areas of

employment mostly office jobs, teaching and some professions. In 1970 UCD opened its Belfield campus which again opened up huge new opportunities for young people. In 1966 the village centre was destroyed to build the first purpose built shopping centre in Ireland! From the 1970's on massive changes happened in all areas of Irish life and the main areas were;

- Joining the EEC has been a massive negative factor! I now see this in retrospect!
- Television was another massive negative factor! Again I only see this clearly now!
- The massive building of urban areas for living adjacent to all of the main cities completely displaced massive numbers of our people and rapidly transformed our country from an agricultural country to a city/urban population. This was very deliberate social engineering to destabilise society and unmoor us from our roots of faith and family! E. Michael Jones of Culturewars.com has spoken a lot on this subject and even Bruce Springsteen has a song entitled My Hometown speaking about the family network all around his home and where the Church was central to their lives.

- Contra-conception was sold as a huge “freedom” and with TV to drive the narrative our country joined the sexual revolution and family sizes declined dramatically as motherhood was viewed by very few women as a career choice. Pope Paul VI issued the Humanae Vitae encyclical in 1967 upholding Church teaching on contraception and warning of the disastrous consequences if we adapted this practice! A group of 80 theologians went to war against the Pope and his encyclical! They therefore went to war against Church teaching in this area which was merely upheld. The expectation of many in Sacred Ministry and the laity was that the new encyclical would usher in change! But Catholic teaching was upheld and still stands even if it is largely ignored. But very sadly all the horrors which the encyclical foretold have come to pass because of the rebellion against truth.
- The hijacking of the second Vatican Council, by a deep state Church, had a massive negative impact on the Catholic Church around the world and Ireland jumped on board the rolling train called “modernism” or cultural Catholic. We thought we could reinvent life without taking God seriously!

People essentially became their own Gods and instead of the Most Blessed Trinity the identity of a trinity became me, myself and I! The attempt to destroy the Latin Mass continues since then!

- The complete manipulation of the money supply, with Ponzi currencies in 1973, came as the link with gold and silver was dispensed with (interesting that this was 300 years after the establishment of the Bank of England which began the enslavement to debt by Governments). This has resulted in the massive wealth transfer to the Globalist oligarchs of the world. The world debt clock is shocking: <https://usdebtclock.org/world-debt-clock.html>. This caused massive inflation and has shut all of our youth out of the housing market! It also put unsustainable pressure on families who had no choice but to have both parents work in largely crap jobs to merely exist. This was also exacerbated by tax breaks which enticed women out of the home and had the effect of reducing wages and taking mothers away from rearing their children and letting the state/education system destroy them.

So in a brief summary of the above items you could say that huge displacements of people took place globally which drove people from their traditional rural villages or agricultural areas into cities and urbanisations. This was driven by huge debt and immorality on a scale never before witnessed in human history! Family got thrashed and so did faith in God. Of course with TV and now the internet it was marketed as glamorous and enticing and we all had a huge party for 60 years fuelled by addictions on a scale never witnessed before- to legal and illegal drugs! But like all great addiction fuelled parties the time of reckoning always follows and the hangover in terms of human wreckage is simply horrendous. A monster of illusion has been created and the very understanding of what it is to be human was "redefined"! But illusions cannot be sustained and society has come crashing down in the past 15-20 years.

SUMMARY; OUR FREEDOMS GOT THRASHED! AS A CHILD I HAD FREEDOM TO BE A CHILD.

HOW HAS THIS COME ABOUT?

So did any of this happen by accident? Of course not! It has been orchestrated by malignant forces of evil who believe they themselves are god and that they have the “right” to enslave human beings and destroy them at their whim.

The root of this is a war against God. The only God who ever walked on earth as a man and as God is Jesus Christ. History was redefined when Jesus was born! Everything about the coming of the Saviour was predicted by Prophets and all are contained in the Old Testament. But as Jesus told us His coming was the new wine and you cannot put new wine in old wineskins. So while Jesus came to uphold the laws given by God through the Prophets His life on earth became the New Covenant and the means to attain our salvation, to live eternally in Heaven.

 "We fear men so much,
because we fear God so little.
One fear cures another.
When man's terror scares you,
turn your thoughts
to the wrath of God."

 **G. K. CHESTERTON** 

But again as foretold by **Jesus**- who is **the Way, the Truth and the Life**- His teachings were rejected despite the most incredible three years of public ministry when miracles abounded. The Scribes and the Pharisees refused to change their ways despite being constantly called out by Jesus. Instead their answer was to murder the Saviour of the world and as they thought kill off Christianity! Men devoid of

truth and who refuse to live by the truth are so incredibly stupid and arrogant. When Jesus rose from the dead they invented a story and bribed the guards of the tomb to say that the Apostles had stolen the body! As it says in Matthew 28- 14:15 *"this is the story they tell among the Jews to this day!*

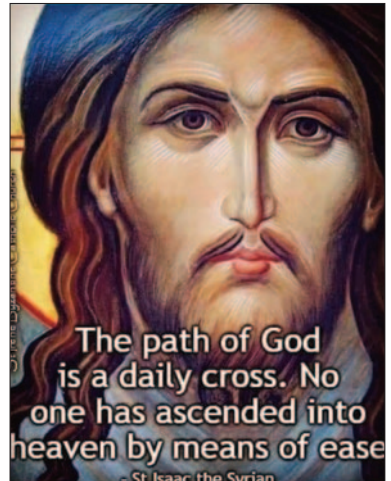

So despite all of the efforts of the evil ones to kill Christianity it spread like wildfire around the world but to this day, and probably for all time, the rejection of truth has continued its aggressive force. Tens of thousands have been martyred by continuing forces of evil ever since. But the truth cannot be silenced! God has won the war

against evil through the life, passion, Resurrection and Ascension of Jesus the son of God. **Gloria to God.**

In a previous article I wrote about the forces of evil versus the wondrous apparitions of Our Lady and this was published by Lumen Fidei-

<https://www.lumenfidei.ie/great-saints-of-history/>

But to summarise matters and to confirm the vicious forces of evil the following events in our history took place not by chance but by design of very evil humans who control matters on earth. Following the Reformations of Luther and King Henry V 111 faith in Europe was weakened hugely and this confusion spread throughout the world ever since. In the aftermath of this the foundation of Freemasonry and the Illuminati led to the French Revolution, the establishment of Central Banks around the world controlled by this cabal. Then World War 1, World War 11, Communism in Russia and China totally devastated the world leading to 100's of millions of deaths. Then in the US in the 1960's the murder of JFK and Robert Kennedy along with Martin Luther King were effectively a coup against the American people and an attack on freedoms globally. These forces of Freemasonry/Globalism control all organs of power in politics, media and big business around the world. But the biggest way they control everything is financially because they control the global money supply and therefore can blackmail and manipulate every aspect of our civilisation. As Rothschild said "as long as I control the money supply whoever is in Government is irrelevant"! This great documentary Monopoly confirms in sharp detail this fact: <https://www.stopworldcontrol.com/monopoly>

But God was never absent from our lives through any of these massive events in our human history and, with Eucharistic Miracles and Apparitions of Our Blessed Lady, God was constantly seeking to get our attention and point out to us the serious errors which were destroying humanity. Lanciano is the big Eucharistic Miracle but so many have occurred that books have been written about them. The young man Carlos Acutis who is on a path to Sainthood did a great website on them-; <http://carloacutis.com/> Check it out because it all confirms everything Jesus told us about being the Bread of Life which is the central plank of our Catholic faith. Also check out great videos on Carlo's life.

Again, like Eucharistic Miracles the apparitions of Our Lady are spectacular Miracles. In La Salette, Fatima, Garabandal and Akita she warned about the destruction of the Church and called for serious changes by the Prelates of the Church and all of us baptised Catholics who by virtue of our baptism are part of the Royal Priesthood. For all laity and clergy we are obviously called upon to take our faith seriously and to keep the faith strong in our families and communities. Clearly given the utter destructive chaos in our world we have failed miserably! Check out www.miraclehunter.com

Clearly when Our Lady appeared in Fatima and emphasised the seriousness of the global situation, in the midst of World War 1, one of the greatest miracles of all time occurred with the Miracle of the Sun. But did this make our Church and our world change its ways? Most certainly not! The 20th century was the bloodiest in human history with two World Wars, Communism in Russia, China and so many countries of the world. Throw abortion into the picture and we have a demonstration of human craziness/destruction on a scale never seen before in history.

Aleksandr Solzhenitsyn pointed out in his writings that the West was persuaded to focus on the economy and the pursuit of happiness from materialism. In an amazing speech in 1983 he forcibly pointed out to us in the west the pure folly of our ways and that we were now in the grip of a death spiral. His speech was entitled "Man has forgotten God". I narrated this speech on my You Tube channel and in the description I have linked the article which I narrated. Solzhenitsyn also gave a great speech LIVE NOT BY LIES. Google this speech and print it off and reflect on both of his powerful speeches because they describe the destruction of our societies!

CURRENT HISTORY UNFOLDING BEFORE OUR EYES- GLOBAL TERRORISM

March 2020, will go down, historically, as the beginning of the most horrendous oppression of human rights and the greatest crimes against humanity ever! But it merely intensified the assault on humanity which in various ways has been ongoing for centuries. All of this has been perpetrated by the criminal cabal of Globalists, Freemasons and Bankers who as I've pointed out above now control all the levers of power. Deirdre Manifold an amazing Irish lady wrote a great book which gives superb historical insights into the enslavement- and it's free to download- www.fatimaandthegreatconspiracy.com

Now that the narrative of the Covid fraud and its true intentions has been exposed it's time for reflection on the grievous failures of leadership in our world!

That this was pure evil is plain and has been plain for any discerning person for the whole period! And this is truly shocking! The narrative was so intense that anyone fighting against it was considered crazy and labelled with all sorts of derogatory names! Conspiracy theorist has been invented by the forces of evil to silence dissent! But it's not "theory" to question the narrative when it's there in plain sight in the form of UN Agenda 2021/2030

and in the Great Reset of the evil gnome Klaus Schwab of the World Economic Forum!

They have spelled it out with complete clarity! All of the NGO's- UN, EU, WHO, WEF, World Bank etc. came into being after the 2nd world war. All are unelected bureaucracies controlled by the evil cabal! Do they have the best interests of humanity at heart?

No, No, No!

IN PLAIN TALK OUR GOVERNMENTS, ALL OF THE NGO's, THE MEDIA, GLOBALISTS, FREEMASONS, BANKERS ARE ALL OUR ENEMIES! AND THE ENEMIES OF ALMIGHTY GOD THE CREATOR OF ALL THINGS SEEN AND UNSEEN. ALL OF THEM THROUGH WEAKNESS OR EVIL ARE WORKING FOR THE KINGDOM OF THE DARK- LUCIFER THE FALLEN ANGEL AND ALL OF HIS MINIONS! MORTAL SIN UNCONFESSED DARKENS OUR INTELLECT AND PUT US IN THE GRIP OF THE DARK CUT OFF FROM THE GLORIOUS LIGHT OF ALMIGHTY GOD BY OUR OWN STUBBORN PRIDE.

Check out great videos on the unfolding plans of the lunatics of Davos; <https://remnantnewspaper.com>. Sign up for their newsletter! So what is the real

agenda behind their fear porn/propaganda? It's eugenics/population control which in straight terms means destroying 95% of the world's population! Like all their evil policies for 100's of years. Those that they "allow" to live will be slaves of the technocracy they have "perfected"! As they say "proudly" you will own nothing and be happy- because we tell you to be happy! What was once tyranny in one country or continent is now a global reign of terror, a psychological war on truth. They want us to be human animals disposable at their whim!

So "vaccine passports"/ Digital ID's/Digital currencies are their key drivers to enslave you! They have decided to take away your freedoms, granted to you by Almighty

God, and allow you certain freedoms, strictly on their terms, if you agree to put poison bio weapons into your precious body AND GIVE UP YOUR SOVERIGNTY. So were these bio weapons tried and tested? Absolutely not! They were granted a licence on the basis of an experimental therapy for a “pandemic”. Very interesting that the WHO, (World Homocide Organisation), changed the definition of a pandemic to cater for the imposition of gene therapy bio weapons. Such caring people that only want to murder you- and tell you it’s for your own good! They have decided, in their delusional god complex, what is best (!) for each one of us! So how have they succeeded with such stunning effect? Very simple - Man has Forgotten God. Sadly when we forget God evil sets the agenda. Just reflect on what has happened in the past 10 years in our country and our world.

- Ireland “legalised” same sex marriage!
- Ireland “legalised” abortion first on the basis of suicidal ideation and then for any reason!
- We have been sold the lie of “climate change” and that humans are the problem!
- We have been sold the lie of evolution! If we have evolved by some “accident” God can be dismissed! Crazy! We are no longer sinners seeking redemption through the Power and Grace of God.
- Carrying our crosses never enters our awareness. But crosses are part of the human experience and when we avoid them they don’t disappear but grow heavier- addictions, blame, un-forgiveness, fear, anxiety and dependency on “legal”/illegal drugs etc, etc!
- Our education system has been totally corrupted and our precious children have been fed all sorts of vile lies about God and about human sexuality! Not one thing about how precious and unique each one of them is in the eyes of their Creator God!
- Our children have had our history of oppression/genocide airbrushed out. They are taught to dismiss the wisdom of the ages and that youth has all the answers! To see their parents as fools so dismissing their authority. To oppress the old and push them towards euthanasia!

- Our families no longer consist of married parents focused on co-operating with God to bring new life into the world.
- Sex has become a right but with no responsibility to use it for procreation as God sets out. Or that sex is only for sacramental marriage- commitment for life.
- We have become enslaved to debt/materialism/consumerism/ distractions- endless distractions.
- We do what we're told by media, Government and never ask who gave them the authority! Are they doing the will of God?
- Totalitarianism takes over and we have no tools to question the evil narrative that is being pushed.
- Our food, water and air have been and are being poisoned and our diets have become so unhealthy that we are an insipid living dead people enslaved in sin.

WE HAVE FORGOTTEN GOD. No time, no silence, no focus, no awareness of our utter dependence on the Grace of God in each and every moment. No desire to do the Will of God. God has no central place in our lives. The majority don't pray, go to Church or ever think about what higher purpose there is to our lives.

Dr. Robert Lustig wrote a book "The hacking of the American Mind" and his videos on You Tube sum up his explanation about the confluence of two different emotions pleasure and happiness.

As he explains the deliberate propaganda to mix up the two means we are sold on the idea that happiness can be got from sin and materialism! Sexual immaturity/immorality and all the addictions of drink, food, drugs, shopping, holidays, houses, cars etc. etc. But happiness cannot be purchased or obtained from substances. It comes from giving, from social groupings like family and community. Really from knowing, loving and serving God in our neighbours. By caring about and fighting injustice. By total focus on God and our neighbour – 1st Commandment.

All tyrannies rule through fraud & force, but once the fraud is exposed they must rely on force!
-George Orwell

FAILURES OF LEADERSHIP! WHO ARE THE MAIN CULPRITS?

If we truly believe that Jesus is God and that He came on earth for the sole purpose of saving all of humanity we must conform our lives to His teachings and we must follow all of the Commandments. Jesus had 12 Apostles and although they all ran away from His passion, with one exception, once the full revealed truth became obvious to them they became miraculously empowered to spread the Word of God to all nations under the leadership of St. Peter the first Pope. All of this happened after the Crucifixion, Resurrection and Ascension of Our Lord and the coming of the Holy Ghost.

So therefore the chosen leaders for Jesus on earth are the anointed ones of God in all Sacred Ministries within the One True Holy Catholic and Apostolic Church established on earth by Jesus as the Bride of Christ operating under the guidance of God.

The earthly Church is now going through its passion and once again the successors to the Apostles have run away! With limited exceptions!

A book entitled "The Popes against Modern Errors" sets out in stark detail 16 Papal documents with hard hitting condemnations of today's most noxious errors. These documents were issued in the period 1832 to 1950! There have been none now in over 70 years!

Great Popes Gregory- (1) Pius 1X -(2), Leo X111-(5), Pius X- (4), Pius X1- (3) Pius X11-(1).

As the back cover states- "In 1798, the French Revolution took place and launched

a host of religious, political and social errors which the Popes for over 160 years afterwards wrote and legislated against. Yet most of these errors have spread and today have filtered down to the common man...with the result that most people now take for granted many fundamental assumptions that are positively false! But almost from the beginning of these errors, the Popes spoke out as with one voice, inveighing against them.

Today, as we see these errors bearing evil fruit, many thoughtful Catholics are returning to those Papal documents which condemned these modern errors, to examine what the Popes have said all along about them."

There is a civil war raging within the hierarchy of the Church and unfortunately too few Cardinals/Bishops have the courage to stand

against these egregious errors leading humanity astray. The evil/bad ones seem to rule the roost and serve only the darkness colluding with the enemies of humanity and God to bring about a New World Order and a New World Religion devoid of the Truth of Jesus.

Fr. Charles Murr's book "Murder in 33rd Degree lays bare the Freemasonry involvement in the Vatican and it confirms everything I'm saying here! See his many excellent interviews on You Tube.

So in summary the most egregious failure of leadership is from the anointed successors to the Apostles who have failed to uphold the Truths of our faith. Pray for their zeal and courage to return.

Although the shepherds have run away from the Passion of the Church the Catholic Church is the one true Church and each of us is called to be faithful to the Truths of Jesus.

The numbers stack up very much in line with the betrayal of the Apostles at the time of Jesus's Passion! 1 out of 12 equates to just over 8% and I think that is probably a fair reflection of the numbers of faithful shepherds who are standing for the Truth and defying the Modernist/Progressive cabal. The real hardcore bunch of Prelates driving this Modernist/Progressive agenda is probably in the same range of 8%! The bulk of the Prelates refuse to stand up against them and push back against this very evil agenda! Either because they are weak men or are compromised one way or another.

The "cancelling" of strong men like Cardinals Burke, Sarah, Mueller etc. show the direction of the earthly Church leadership. The heresy/apostasy of German and Belgian Bishops is deeply disturbing!

But the gates of hell can never prevail against the Mystical Body of Christ.

WHERE TO FROM HERE? IS THERE HOPE? IS THERE A FUTURE FOR HUMANITY? STEPS WE NEED TO TAKE!

Hope is eternal! God controls the whole narrative and the unfolding of human history. Satan and his earthly minions, the power brokers of the world, can never defeat God but they most certainly can and have destroyed mankind when we "forget God". As always in human history when man turns away from God we cause massive problems for ourselves by living delusional lives.

I believe that for any one my age, or thereabouts, a brief reflection on the differences in our country from childhood to now has to conclude that our country and our world are in absolute disarray with anxiety and fear dominating so many people's lives. Does your home reflect the fact that you are a follower of Jesus- remember homes of our parents/grandparents! Do you obey the rules of the Church in relation to confession- minimum once a year? Is Sunday a day of rest focused on God? Is weekly Mass something not to be missed and do we take the Glorious Gift of the

Eucharist seriously by being in a state of Grace to receive? Do you pray every day and do you pray the Rosary daily?

Reflect on the homes long ago before TV- is your home an open one where neighbours feel free to wander in sit down and have a chat with a cuppa? Or have our homes become our prison? Beautifully kept but cold unwelcoming places even for God?

It seems to me that the majority whilst agreeing that our world is a mess shrug their shoulders and say "sure that's the way the world is" as if somehow it's independent of them and that they have no input or responsibility for the mess!

This is total delusional escapism!

Every single human being has in some way contributed to this mess by refusing to obey the 10

commandments. They have allowed their minds to be poisoned by propaganda and in refusing to stand for the truth, they live by lies! Most people will accept that the Governments for the past 60 years have been derelict in their duty of care to the voters. Many will also blame the Church leaders, media etc. Of course there is truth in all of this, especially about Church leaders, but that does not absolve any one of us from our sins and our failures to honour God. As Ghandi once said "we must be the change we want to see in the world".

A blame game and trying to find culprits is merely a distraction at this time. In addition these "leaders" are of our stock and represent the opinions of many who have weakened in their faith and prayer life.

We must acknowledge that our country and our world are in an unsustainable mess and we must therefore resolve to face the truth about the grave nature of sin which has destroyed the legacy of faith handed on to us by previous generations. We need to feel a deep sense of shame for our own individual failures and resolve to put our lives in order with God. Just reflect on the horrendous scenes in Dublin Castle, in 2018, when the result of the abortion referendum was announced! Young people dancing in glee and celebration at the most foul act of murder imaginable. Of course our delusional Taoiseach Leo Varadkar looked on with glee as if he had won the lotto. If we do not feel a sense of having betrayed God and our ancestors we have no shame in us. Even if we did not vote for this abomination, as part of the 66%, what blame attaches to us? This is our country and these are our people our neighbours! And these are our children!

OUR LIVES ARE ALL ABOUT GOD! BUT OUR CULTURE TELLS US WE ARE THE MAIN PLAYER IN OUR LIVES DRAMA!

Frank Duff, founder of the Global Legion of Mary and now a Servant of God, is one of the great men of the 20th century! He wrote a booklet when he was 26 entitled Can we be Saints. He assures us that as part of our Baptism it is inherent for every Catholic to aim for this in their lives. Simply do the humdrum things well with love for God, our families and Church. In an article of his about the New Testament he points out that when we starve our physical body it will kick up so vehemently that we will see to its needs. But on the other hand if we allow the supernatural life to languish it does not assert itself. It yields to starvation, and that yielding becomes progressive. In other words the less spiritual nourishment we get the less we desire. There is a further complication that in the measure that the supernatural flickers low in us, the natural comes in with overwhelming influence and in fact takes complete control. Therefore it is what might accurately be called a life or death matter that the intellect be fully nourished in regard to the life of Our Lord.

WE NEED GOD! WE NEED TO CONFESS OUR SINS OF OMISSION AND COMMISSION. WE NEED TO KNOW OUR CATECHISM, OUR BIBLE AND STUDY THE LIVES OF GREAT SAINTS AND MARTYRS. WE NEED TO MEASURE OUR LIVES AGAINST THE HOLY FAMILY, SAINTS, MARTYRS AND HOLY ONES OF GOD. MANY OF OUR ANCESTORS LIVED LIVES OF GREAT SANCTITY AND PURITY. ALL OF THESE PEOPLE IN HEAVEN OR PURGATORY ARE OUR FRIENDS AND WE ARE CONNECTED TO ALL OF THEM THROUGH THE MYSTICAL BODY OF CHRIST WHO IS OUR HEAD. WE MUST STAND FOR THE TRUTH NOT LIVE WASTEFUL LIVES OF AVOIDING EXAMINING OUR CONSCIENCE.

Saint Paul is a great Saint as his conversion is so incredible. As he transformed his life to embrace the Truth he became one of the great Apostles and his writings are inspirational and relevant to our own lives.

Bernard Nathanson is a more recent story of conversion that could be compared to St. Paul. An atheist Jew he was complicit in ushering in abortion in America in what is known as the Roe vs. Wade Supreme Court decision in 1973. He subsequently opened the biggest abortion mill in the world in New York. After 75,000 abortions in the mill, including one of his own, he received a grace and realised what he had

done. He never did another abortion and became ardently Pro Life writing a great book *The Hand of God* and he spoke widely around the world. His film *The Silent Scream- on You Tube* is something that every adult should watch and reflect on! His ultimate conversion to Catholicism confirmed for him and all of us that no matter how scarlet our sins the Mercy of God in confession wipe the slate clean.

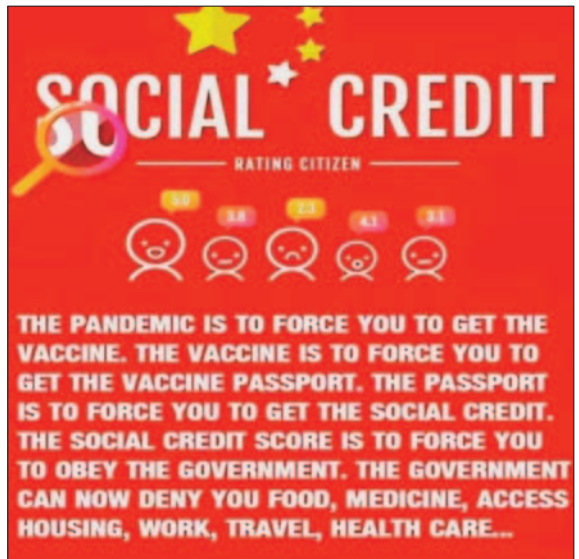

Psalms 51 confirms our sinfulness;

51 Have mercy upon me, O God, according to thy loving-kindness: according unto the multitude of thy tender mercies blot out my transgressions. Wash me thoroughly from mine iniquity, and cleanse me from my sin. For I acknowledge my transgressions: and my sin is ever before me. Against thee, thee only, have I sinned, and done this evil in thy sight: that thou mightiest be justified when thou speakest, and be clear when thou judgest. Behold, I was shapen in iniquity; and in sin did my mother conceive me. Behold, thou desirest truth in the inward parts: and in the hidden part thou shalt make me to know wisdom. Purge me with hyssop, and I shall be clean: wash me, and I shall be whiter than snow. Make me to hear joy and gladness; that the bones which thou hast broken may rejoice. Hide thy face from my sins, and blot out all mine iniquities. Create in me a clean heart, O God; and renew a right spirit within me.

A great martyr of the reformation is Blessed Ralph Milner. Ralph was an illiterate labourer, married with 8 children. As he went about his work he became hugely impressed by those who were clinging to their Catholic faith in spite of vicious oppression. He decided to become Catholic. On the day of his first Holy Communion he was arrested. After his release from jail he was again arrested for assisting a Priest as all Priests were being hunted! After being sentenced to death he asked the judge to provide for his wife and children. "Go to church, fool, and look to thy children thyself", the judge told him. Ralph replied, "Would your lordship then advise me, for the perishable trifles of this world, or for a wife and children to lose my God? I cannot embrace a counsel so disagreeable to the maxims of the Gospel!"

WHAT PERISHABLE TRIFLES HAVE WE EMBRACED?

LOVING FATHER, THROUGH THE INTERSESSION OF BLESSED RALPH MILNER, MAKE ME FAITHFUL TO MY VOWS.

A BRIEF REFLECTION ON A PART OF OUR HISTORY IS USEFUL;

Looking at the history of Mount Melleray Abbey in West Waterford gives a great confirmation of the huge generosity of spirit of our ancestors. There were no monasteries in Ireland following the destruction of the Reformation. In 1830 Irish monks were expelled from France following the French Revolution. When they got a lease on land on the Knockmealdown Mountains it must have been a very bleak prospect! 64 monks came and the only accommodation was a game keeper's cottage. Fr. Queally in Modeligo Parish heard of the monk's arrival and suggested to his parishioners that they should volunteer a day's labour to help the monks. The next day 500 of the parishioners arrived along with their tools, their wives with cooking utensils and worked for the day. To put it in context Modeligo is 15kms from Melleray. So these people walked 30 kms did hard work and returned home! What amazing generosity. These people had so little but were willing to do that.

However this sparked a most amazing response from people all around the area. Between June and September of 1832 10,000 people came on day work pilgrimages' and helped the monks enormously. Many walked even longer distances! The stones they dug out were used to build new buildings. What stands there today is an awesome sight and a place of great spiritual peace. But it is under huge threat of closure because of lack of vocations. The people of all the counties around had a great devotion and attraction to this monastery. During the famine/genocide the monks did so much for the people in the area and there was a bin which kept refilling just like the miracles of the loaves and fishes!

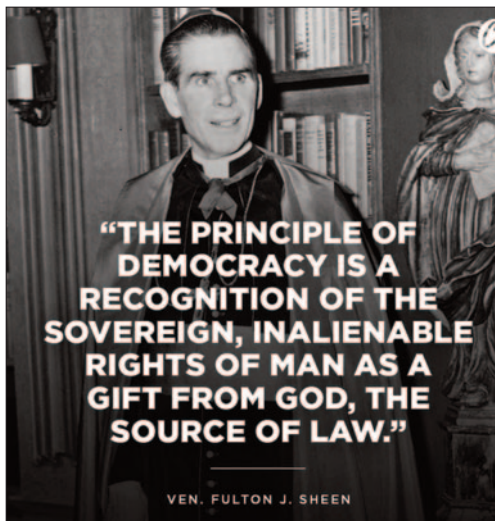

To draw comparison with our own era it would be inconceivable that you could get 500 people from all of Ireland to do anything similar. Our ancestors although they had so little had faith and fear of God. They also had large families so they were hugely fruitful people. Today our families are decimated so many childless people or 1-2 children. We have allowed the pressures and distractions of this world to distract us so now there is no generosity of spirit that would allow such openness to the will of God.

Just reflect on the lives of these ancestors. They lived on rented land because their land had been stolen from them. Grinding out a living, no social supports of any kind, simply relying on their own labour to get by. And their precarious existence was to usher in one of the biggest genocides the world had ever seen in 1845. Their whole life was focused on family, on faith and on neighbours. No restaurants, foreign holidays, no entitlements of any sort. Very little education and no careers! But their

homes were the real Churches and their relaxation/entertainment was to go around to neighbours houses and play music, recite poetry and pass on orally our proud traditions, our deep sorrows at all the suffering endured etc. Instinctively they understood their vocation was family and marriage.

**Our world is sterile and stunted!
The focus is on ourselves not on
the Glory of God and seeking to
do God's Divine Will to bring
Heaven to earth.**

Just reflect on what we have lost! We now have “homes” that are like private luxury prison cells and our lives are programmed by the tel-lie-vision/ Satan's tabernacle. We have so many social supports and we “demand” that the Government do more! This is pure socialism and totalitarianism! It's all built on an illusion of wealth but we have no wealth because it's all debt! We are living like Kings of old but there is nothing to underpin it and we have no faith and no fear of the Justice of God. And all of it is crashing because it's simply not sustainable.

SUMMARY AND WAY FORWARD.

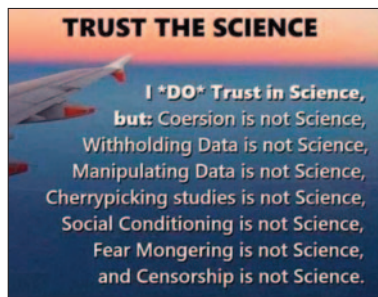

The rejection of faith in our culture is staggering! Running away from the truth of God is simply not an option. If we do not choose God our hearts become like stone as Jesus said. The new normal- which replaced faith, family and community acting for the common good of all, is toxic- destroys everything which we need to hold dear in our hearts. We are created by God to know Him, love Him and serve Him so that we will live eternally.

The Globalist cabal has ramped up the enslavement of humanity over the past 60 years and the Catholic Church leadership was disastrous in this period! We fell for all the lies and were ripe for the plucking in March 2020 when they launched their lethal assault on humanity! Their imposition of masks, social distancing were tools to keep us in fear of the winter flu which they weaponised. Their goal from day 1 was to impose compulsory so called vaccines on everyone. With huge success! But now the real facts of the damage to humanity are very clear. A massive increase in deaths and very serious injuries is proven by many but in particular a man named Ed Dowd who has written a book “CAUSE UNKNOWN” the epidemic of sudden deaths in 2021 and 2022. Reading this book is simply staggering. Tucker Carlson interviews

this great man; <https://rumble.com/v2ailv0-tucker-carlson-interview-ed-dowd.html>. Another great video has just been released by the wonderful Stop World Control on Rumble entitled the Great Awakening – Plandemic Series. A must see for all to open their eyes to the horrible reality of evil in our world and its devastating impact on all of humanity. All of us human beings have been seriously traumatised with the intensity of evil since March 2020 and all of us on both sides of the arguments need to realise who our enemy really is! Not the ones in our family or community who hold differing opinions on what has been done to us but the Satanic forces of Global criminals acting for Lucifer to destroy all of us! And we all need to join forces to stop the vicious assault on the vulnerable in our society. Just look at the “sex education” programs being brought into our schools and resist all of their lies. Take children out of school if necessary. Each of us is responsible for the proper education of our children and grandchildren and we will answer to God for our failures!

A new film Sound of freedom has been released starring Jim Caveziel- a strong man of faith who played Jesus in the Passion of the Christ- and shows clearly the horrendous evil of child trafficking! It's become a massive box office hit and everyone needs to see it to awaken to the horrific evil in our midst! This is how the evil cabal have blackmailed so many “leaders” through horrible paedophilia and a cult of power and money.

This movie is a massive wake up call for all of humanity as it confirms with stunning effect the viciousness of evil! But this evil has been around with huge force for 100 years at least and is evidenced by contraception, abortion and the whole LGBT+ spectrum of depravity in our world. I have outlined all the ways this cabal of evil have destroyed our moral compass and identified that all of us have fallen for their lies/propaganda! But now is our time of deep awakening to embrace the truth of God, repent and fight this evil. Now the agenda of these Global criminals has shifted but all with the same goals to destroy mankind or enslave them like animals. The agenda includes

- Ukraine war to escalate into WWIII
- Mass migration to destroy our towns and cities
- Push total degeneracy of precious children with toxic porn, transgender ideologies on top of the already expanding LGBT+ spectrum. This evil is being driven by the UN who push a narrative about children’s “rights” to be sexually aware – a paedophile’s charter! See report- <https://stopworldcontrol.com/children/>
- Destroy our property rights.
- Destroy our freedom of speech! New bill now going through the Dail/Seanad. This is the same agenda globally! All an outright attack on Christian values.
- Destroy the financial system and impose digital currencies to utterly control

your life dictating how you can live and what you can buy.

- Climate change hoax and lockdowns based on 15 minute cities.
- Destroy democracy where the people have power (long gone!)
- Destroy the food supply chain and impose huge increases on all items we need to survive.

We are living under Communism and this is what Communism does! A great man Glenn Beck explains it very well as a Satanic war against humanity in a great talk; <https://youtu.be/JtQwAQeZ7HQ>

A great article about the current state of our world is written by Dr. Michael J. Baglino entitled- 5 anti Catholic features of our post modernist culture; <https://www.catholic365.com/article/17677/5-anti-catholic-features-of-our-post-modernist-culture.html>

A summary of his article;

1. Sociologists and psychologists have become a new priestly class who serve as a vehicle for social control whose tools are secular psychology and neo-Marxist sociology. They preach a new morality that helps them to maintain control;
2. Education should seek to form mature adults, edify students and foster admiration of others rather than oneself. But the new NWO “education” fosters a blind trust in technology and in progressive intellectual conformism, which transforms the “educated” into cogs in the bureaucratic system and in the economic machine. This pushes technology as both the motivating and controlling force of modern culture;
3. Big Government and Political Correctness are offered as the solutions to most problems;
4. A concrete and articulate moral system and a robust fear of the future seem to have disappeared;
5. The “progressive” cultures of universities and of the mainstream-media seek to erase dissent and to humiliate anyone thinking outside the box.

Reflect on the calibre of “leaders” in our world – Biden/Harris, Trudeau. Macron, Scholz in Germany replaced Merkel, Hipkins in New Zealand replaced Ardern, Morrison/Andrews -Australia, Sunack UK, and our own Irish clown Princes. God bless us and save from such puppets that have been foisted on us by the criminals by stealing elections, rigging votes etc. Those who control money, politics, media, medicine, big Pharma seem invincible but their power is an earthly one only as they have no supernatural power which can only come from adoring God.

Now the latest power grab by the WHO is a Global “Pandemic Treaty” which in effect is an attempt to override our sovereignty and allow these criminals to impose “rules” on Governments! Gript a great independent Irish media platform has covered this topic and many other great videos and articles; <https://gript.ie/>. Aisling

O'Loughlin, a former TV journalist writes on the Substack APP and her recent article "A Godless Society brings destruction- it's time to acknowledge the harm of silence in the face of evil." A powerful article to reflect on. John Waters one of the great Irish minds of our times also writes on Substack. He has a great article on The Hatred of Speech!

So our choices are very stark! Sadly many people do not want to change- just like the scribes and Pharisees of Jesus' time on earth. The future is uncertain on so many fronts, because evil is rampant! The only way out of this mess is Divine intervention which will only come about if people turn to God in repentance seeking forgiveness for our abject failures and seek Gods help. This is even more urgent for all who have fallen for the lies because the only thing that matters, when we die, is being in a state of Grace. Otherwise our future will be controlled eternally by Satan.

Many reading this might want to shoot the messenger but I would simply point out that like Jonah who was instructed to warn the Ninevites I am a nobody. Merely a sinner who was rescued from my stupidity by a loving and merciful God. Just reflect on Noah and the great flood, Sodom and Gomorrah when people refused the mercy of God vs. Nineveh where people listened and choose to repent.

I strongly advise anyone reading this to focus on God and their relationship with God and to reflect on the true state of your soul. Because God wants to save all of us so we live eternally with Him in Heaven.

ACTIVE STEPS TO TAKE IF YOU ARE SERIOUS ABOUT CHANGING YOUR PRECIOUS LIFE TO EMBRACE THE TRUTH OF GOD;

- **CONFESSION.** SO MANY “PRACTISING” CATHOLICS HAVE NOT BEEN TO CONFESSION FOR MANY YEARS!
- ONCE YOU HAVE RETURNED TO A STATE OF GRACE ATTEND **MASS** REGULARLY- DAILY IF AT ALL POSSIBLE. EMBRACE THE TRUTH THAT JESUS OUR SAVIOUR IS TRULY PRESENT IN THE SACRIFICE OF THE **EUCCHARIST.**
- **PRAY AS A FAMILY** IF AT ALL POSSIBLE AND ESPECIALLY THE **ROSARY DAILY.**
- **EUCCHARISTIC ADORATION** MINIMUM 1 HOUR PER WEEK
- **STOP CONSUMING PROPAGANDA ON TV/MEDIA** OR AT LEAST BE VERY SELECTIVE!
- READ **THE BIBLE** DAILY AND READ THE LIVES OF THE **SAINTS.** STUDY **THE CATHECISM** TO IMPROVE YOUR KNOWLEDGE OF OUR AWESOME FAITH.
- THINK ABOUT HOW YOU SPEND YOUR **TIME.** HOW MUCH FOCUS IS THERE IN YOUR LIFE ON GOD AND SEEKING TO DO **THE WILL OF GOD.**
- CONNECT WITH **GOOD CATHOLIC WEBSITES** EG. LIFESITENEWS.COM, REMNANTNEWSPAPER.COM, CATHOLICCULTURE.ORG, HLI.IE
- START TO INVOLVE YOURSELF IN YOUR **PARISH** AND SEE WHERE THINGS ARE REALLY AT - MASSES, IN SCHOOLS. SEE WHAT YOU CAN DO TO BRING IMPROVEMENTS TO AREAS OF DEFICIENCY.
- FOCUS ON THE **4 FINAL THINGS**- DEATH, JUDGEMENT, HEAVEN AND HELL. EXAMINE YOUR CONSCIENCE ON THE 10 COMMANDMENTS TO ACCESS WHERE YOU REALLY ARE AT IF GOD CALLED YOU HOME_ TODAY.
- JOIN A GOOD **PRAYER GROUP.** THE VERY BEST IS THE **LEGION OF MARY** AS ITS 100 YEARS OLD AND HAS A SUPERB STRUCTURE FOR PRAYER AND WORK.

- **REFLECT ON** WHERE YOUR FAMILY IS AT IN TERMS OF FAITH PRACTICE. BE THE CHANGE YOU WANT TO SEE IN THEM AND LEAD BY EXAMPLE.
- MAKE YOUR **HOME** A PLACE OF WELCOME FOR NEIGHBOURS/FRIENDS
- **QUESTION EVERYTHING** YOU ARE BEING TOLD/HAVE BEEN TOLD AND DON'T RUN AWAY FROM THE TRUTH JUST BECAUSE IT'S UNCOMFORTABLE.
- **DEMAND** THAT LEADERS OF CHURCH, STATE, MEDIA ACT FROM THE TRUTH AND REFUSE TO ACCEPT THEIR **LIES** WHICH ARE DESTROYING LIVES. START CALLING OUT THEIR LIES.
- **MEASURE EVERYTHING AGAINST THE ONLY SOURCE OF TRUTH WHICH IS JESUS.**
- **St. Basil the Great quote; "Hell can't be made attractive. So the devil makes attractive the road that leads there"!**

AS ST. PAUL SAYS IN EPHESIANS 6 THIS IS SPIRITUAL WARFARE BETWEEN PRINCIPALITIES. WE MUST CHOOSE GOD! WE ARE IN MORTAL DANGER AS INDIVIDUALS, AS COMMUNITY GLOBALLY IF WE DO NOT URGENTLY CHOOSE GOD.

WE THEREFORE MUST FOCUS ON WHAT SORT OF LEGACY WE WANT TO PASS ON!

THERE ARE BILLIONS OF US AND IF WE TURN TO GOD HE WILL VANQUISH OUR ENEMIES.

GOD BLESS US ALL.
